

# Overtime (feat. Miguel & Justine Skye)

## ScHoolboy Q

Righteous, righteous  
Woo!  
GoddamnBaby let me know it's mine  
And I might put in overtime  
Understanding overnight  
You know tonight ain't a sober nightI wanna fuck right now  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck, yeah, I wanna fuck, yeah  
I wanna fuck right now  
In the bedroom geeked, while your clothes hang down  
Chillin' all day, lovin' all night  
Nice ass, and your stomach all tight  
If your money ain't right, I should be in your life  
Put it down when your boyfriend know, girl  
Both hands where the sun won't show, girl  
Meet you around four with the chauffeur  
Keep a penny on top of my loafers  
Keep a diamond on each of my tooth  
I'm gettin' money like athletes  
It can, it can go down in the backseat  
I know all your right spots without asking, heyBaby let me know it's mine  
And I might put in overtime (that's right, yeah)  
Understanding overnight  
You know that I ain't the sober type  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck, yeah, I wanna fuck, yeah  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck, yeah, I wanna fuck, yeahGirl you bangin, you dynamite  
Keep an arch in your back when you do it like  
Fuck with me, you be luxury day and night  
Got me trickin' on everything overpriced  
Can I hit it and skip all the love?  
Leave your square and come chill with a thug  
Girl I'm privileged, you know how the time be changin'  
Know I'm hittin' it right when your core be shakin'  
Why you hangin' with niggas that's missin' payments?  
Keepin' my dollars on top of dollars

Netflix and chill when it's after hours  
I should be in your room when you leave the shower  
Hittin' them spots like you taught me 'bout 'em  
Girl me and you got a lot in common  
I'm the one you should call when you're done with clubbin'  
Darlin' fuck all the talk, let me show you somethin' Baby let me know it's mine  
And I might put in overtime (that's right, yeah)  
Understanding overnight  
You know that I ain't a sober type I wanna fuck right now  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck, yeah, I wanna fuck, yeah  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck, yeah, I wanna fuck, yeah Baby let me know it's mine  
And I'ma put in overtime  
That's right, you're understanding overnight  
You know that I ain't the sober type  
Tell me what you want and I might do it  
I've been tryna figure out your motive, yeah  
Get it up, I put it down, I'ma show you how I do it  
Wanna feel them lips all over me  
But first I gotta know you're into me  
Ain't tryna tease  
But I'm not the kind of girl that be sleepin' around  
Let me tell you how I'm feelin'  
If you're a man, be a man, I'ma give you the world  
You gon' have to wait a little  
You gon' have to show me that you know my love is strong  
Got my heart in the middle  
I gotta trust you a little  
If I say I will, I'm up for thrill I wanna fuck right now  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck, yeah, I wanna fuck, yeah  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck right now  
I wanna fuck, yeah, I wanna fuck, yeah
