

No More (feat. Tedashii)

116

Verse 1:

Dog I remember thirsting for God wanting that sweet communion, on and on my soul was
longing for us to live this union

Wanted nothing else in life except to just be with Him, felt like nothing in this world could ever
compete with Him

But I'm in college now (college now) trying to walk this out (walk this out) but it's harder now
(harder now) can I talk to y'all? (talk to y'all)

I got caught in this mess yearning to walk in the flesh and thirst for Him less watching her walk
in that dress

I saw the cross and how it took me from the worldly things and how He told me to count loss
the dross and earthly things

I know I wanna sin (hey) but dog I'm born again (hey) and by His grace He displaced my
disgrace and now it's on again

So I'm a buffet my body make it my slave man crucify my flesh daily til I see my grave man

I'm a fight and your games I won't play them no more, to the world listen up, we fed up, we not
gon take this no more

Hook:

We not gon take it no more (8x)

Verse 2 (Lecrae):

No more hang time or playing time, man it's about to be game time, I hate you sin you quench
the Spirit, done them both at the same time

First you holla ride with us then my flesh start to rising up this why 1 Corinthians was talking
about all that dying stuff

Sick of heartache sick of pain sick of you I gotta quit this man, but me in my flesh can do
nothing without the Spirit man

Eyes haven't seen ears haven't heard of the things revealed (revealed), by the Spirit dwelling
within me through which I'm sealed

I no longer belong to you, I'm not holding on to you, I fight with all this might through every
night that I long for you

I wrote this here song for you, My hatred is strong for you my love for God is greater than the
lusts that I owned for you

Cause everything's wrong with you, the world wanna roll with you instead of you slaving me
the Holy Spirit's controlling you

And this here I know is true the scriptures are showing you, since I belong to Christ I ain't gon
take this no more from you

Hook:

We not gon take it no more (8x)

Bridge:

We ain't no slave to sin, we ain't no slave to sin, we not gon take it no more because we born
again (4x)
