

Me and My Team (feat. Trey Songz & Kid Ink)

Maejor Ali

AliTheses bottles for me and my team
This table for me and my team
Girl come get up on this couch for me and my team
Tell your girls come have a drink with me and my teamMy team (got money)
My team (got a lotta dough)
My team (the same team)
My team (when I was poor)Now we on top just. Me and my team
Now we on top just. Me and my team
Started off with a dollar
Got a taste of that power
Now we on, plus take home,
Need to let my dog of the collar
Me and Bizza on the charter
Flee flights so we headin' to Nevada
Heat game watching Bron throw powder
Have you ever see a champagne showerHere come a whole bunch of bottles with a whole
bunch of buckets
with a whole bunch of lights on em'
I got my whole team with me and we all on the couch
I'd give my life for em'So girl you gotta let me know
How you want this night to go
Cause I'm ready where you are
Ain't nobody else sexy as you are
And girl I really want ... you alone
Theses bottles for me and my team
This table for me and my team
Girl come get up on this couch for me and my team
Tell your girls come have a drink with me and my teamMy team (got money)
My team (got a lotta dough)
My team (the same team)
My team (when I was poor)Now we on top just. Me and my team
Now we on top just. Me and my teamPoped outta that Rari
If I hurt your feelings I'm sorry
Six more pulled right behind me
Whole team looking like an army
You ain't even gotta worry bout you and me
I ain't even gotta tell ya wait and see
Tap your homie on the shoulder
Say would you die for me
And you already know
Might seem alright for meSo girl you gotta let me know
How you want this night to go

Cause I'm ready where you is
 Ain't nobody else sexy as you is
 And Im trynna get you back to the crib crib crib. Theses bottles for me and my team (me and
 my team)
 This table for me and my team
 Girl come get up on this couch with me and my team
 Tell your girls come have a drink with me and my team My team (got money)
 My team (got a lotta dough)
 My team (the same team)
 My team (when I was poor) Whatup Ali?!
 Now we on top just. Me and my team

 With a dream for the F-I-N of things on the scheme
 For the green, if you know what I mean
 Put your bottles in the air, lemme hear em ting, ting
 Ching, ching little rockstar lifestyle — just like Sting
 Chick is a rockstar — just like Pink
 Talking 'bout cake, where the fuck her I see
 Heard you looking for the man bitch nigga ice heel
 Bout to make a play but I'm sitting on a bench
 Yo girl trynna fuck like she fresh out the pen
 Not just me but the whole team in it
 Imma take shots but the whole team winning Bucket full of roses, Rose swirl
 Blunt full of killa, OG hitta
 Bat Gang thats my nigga my nigga
 Alumni you can see I'm 'bout my buisness
 I might took a lil one need no help
 But I neva could've made it here by my self
 Neva gon' change so day one with em

 Tell your girls come have a drink with me and my team My team (got money)

 My team (the same team)
 My team (when I was poor) Now we on top just. Me and my team
 Now we on top just. Me and my team
