## What So Not

I want it, I want it  
I want it  
I want it, I want it  
I want it  
Ooh oh oh oh

Jaguar trap

Jaguar trap

I want it, I want it  
I want it  
I want it, I want it  
I want it  
I need you walking with me tonight  
Ah oh ah ah ah oh  
Ah oh ah ah ah oh  
Ah oh ah ah ah oh  
Ah oh ah ah ah oh  
Ah oh ah ah ah oh

Jaguar trap

Never into me  
And I'll never let go  
And never make my soul at ease  
And I'll never let go  
Never

Jaguar trap

Never into me
