One more time
Ah ah ah ah, aaah
Ah ah ah ah
One (aaah) more time
Ah ah ah ah aaah
Ah ah ah ah

Like the legend of the phoenix, yeah
All ends with beginnings, ooh
What keeps the planet spinning, ah ah
The force from the beginning, ooh

We've come too far
To give up who we are
So let's raise the bar
And our cups to the stars, eh

We're up all night 'til the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky

We're all up night 'til the sun

We're up all night to get some
We're up all night for good fun
We're up all night to get lucky

We're up all night to get lucky
We're up all night – all night to get – up all night to get, get, get lu-, lu-

Last night, I had this dream about you
In this dream, I'm dancing right beside you
There's nothing wrong with just a little bit of fun
We were dancing all night long

Oh, I don't know what to do
About this dream and you
I hope this dream comes true

One more time
(hey) We're gonna celebrate
Oh yeah, all right
Don't stop the dancing
One more time
We're gonna celebra-a-a-a-ate

Work it harder, make it better
Do it faster, makes us stronger
More than ever hour after
Our work is never over

Work it harder, make it better
Do it faster, makes us stronger
More than ever hour after
Our work is never over

Imma work it harder, make it bett-
Do it faster, makes us
More than ever hou-hour after
Ou-our wo-ork is never over

Work it harder, make it better
Do it faster, makes us stronger
More than ever hour after
Our work is never over

Television, rules the nation, oh yeah
(around the world, around the world)
Television, rules the nation
(around the world, no)

Music's got me feeling so free

Celebrate and dance so free
One more time
Music's got me feeling so free
We're gonna celebrate
Celebrate and dance so free (celebrate)

Tonight
(we've)
Hey, just feel it
(come too far)
Music's got me feeling the need
(to give up who we are)
One more time
Music's got me feeling so free
(so let's)
We're gonna celebrate
(raise the bar)
Celebrate and dance –
(and our cups –)
To the stars

We're up all night till the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky

We're up all night till the sun
We're up all night to get some
We're up all night for good fun
We're up for-

Scott, (Kirstie & Mitch):
One more night, oh no
(We're up all night till the sun, hey)
Celebration
(Around the world)
Feeling so free

Woah, one more night
(We're up all night till the sun, hey)
Woah no, celebration
(Around the world)
Music's got me feeling so –
Our work is never over
