

Like I Do (Dasko & Agrero Remix)

David Guetta, Martin Garrix & Brooks

[Verse: Stargate]

Baby, I think of you

When I'm all alone and it's half past two

Bet you think about it too

Ain't nobody love you like I do [Chorus: Stargate]

Like I do

Like, like I do

Like I do

Like, like I do

Like I do

Like I do [Verse: Stargate]

Baby, I think of you

When I'm all alone and it's half past two

Bet you think about it too

Ain't nobody love you like I do Baby, I think of you

When I'm all alone and it's half past two

Bet you think about it too

Ain't nobody love you like I do

Like I do

[Chorus: Stargate]

Like, like I do

Like I do

Like, like I do

Like I do
