

# I've Got So Much To Give

Barry White

Don't do that  
Baby, please don't do that  
What are you cryin' for?  
Is it because you're sad, or mad  
Or nothing's gonna go wrong? Sometimes we feel inside of us that  
That everythin' we have is, only here for today  
But every now and then two people get lucky  
And find that certain thing that makes them wanna  
Just keep it, just keep it that way I don't want you to feel that  
That you have to go through  
These changes when  
Knowin' no way  
I know that, our love is different  
Our lives will be different  
Trust me baby, trust me Now, that I'm here, no more tears  
Come here, come here  
And you won't find, things  
That broke your heart  
And blew your mind  
Not here, no, not here And my, oh, my  
Girl, can't you see, can't you see that I  
I've got so much to give to you, my dear  
It's gonna take a lifetime, it's gonna take years To you my dear I've got so much to give  
It's gonna take my lifetime  
It's gonna take years and years  
And years and years  
And I'll fill you in your hopes and dreams  
Believe me, girl, you got everything  
Right here, right here  
No one could offer you more  
Than the love I have for you in store  
It's here, oh, oh, yeah And my, oh, my  
Honey, can't you see, can't you see that I  
I've got so much to give to you my dear  
It's gonna take a lifetime, it's gonna take years To you my dear I've got so much to give  
It's gonna take my lifetime  
It's gonna take years and years  
And years and years Believe me, baby  
We've found that certain thing  
That certain feeling  
That lets two people  
Express themselves, how they feel

Let your love flow inside of you  
Don't be afraid, don't be afraid, baby
