BossLife Big Spence

[Verse 1]

Fresh blue Chucks, checkerboard Vans
Money and power go hand in hand
I'm a young boss man out that boss land
Stirring up smoke, kicking up sand
I got the odor on me and I'm loving my new coat
White bitches in Oregon do anything for coke
Period, player, possess a passion for a loaf
Duck, duck, I'm finna goose me a ho
On 580, player bouncing all crazy
I'm still yelling out, "Bitch, fuck you, pay me"
Surviving the times, ho, it's 20-1-9
Serving you suckers just dubs, no dimes
What you wanna know? How I mistreat the hoes?
Sock a nigga square in his shit and break his nose
How I rock the clothes, camera flash when I pose
Parking lot pimpin', getting chose by the hoes

[Chorus]

Ugh, yeah, this shit go stupid
It's Big Spence, bitch, and I'm here going Cupid
Shooting up arrows in your lil' bitch, wow
It's Big Spence, bitch, I need ten thou'
Huh, yeah, this shit go stupid
It's Big Spence, bitch, and I'm here going Cupid
Shooting up arrows in your lil' bitch, wow
It's Big Spence, bitch, I need ten thou'

[Verse 2]

I caught your baby mama diggin' through my trash
When I caught the bitch, said she was looking for my stash
Bitch tried to rob me, starting reaching for my pants
You should've seen it, player, I bounced out and did my dance
It's money in the middle if you wanna make a little
The little bitch giggled, appeared to be tickled
The lil' bitch creepy, got one eye sleepy
And the bitch can't see me, she lookin' like Stevie
I love me a toy, me a boy, I go fast
To be honest, I'm a freak and I love a fat ass
But bitch, if you broke, swear to God I'ma pass
I'm a shit talker, good rapper gone bad
I'm leechi and I'm geechi, got Gucci and Versace
Mask on, bitch, yelling somebody stop me
Confident, shit be coming across cocky

Suck a dick, lil' bitch, now that's cocky

[Chorus]

Ugh, yeah, this shit go stupid

It's Big Spence, bitch, and I'm here going Cupid

Shooting up arrows in your lil' bitch, wow

It's Big Spence, bitch, I need ten thou'

Huh, yeah, this shit go stupid

It's Big Spence, bitch, and I'm here going Cupid

Shooting up arrows in your lil' bitch, wow

It's Big Spence, bitch, I need ten thou'

Ugh, yeah, this shit go stupid

It's Big Spence, bitch, and I'm here going Cupid

Shooting up arrows in your lil' bitch, wow

It's Big Spence, bitch, I need ten thou'

Huh, yeah, this shit go stupid

It's Big Spence, bitch, and I'm here going Cupid

Shooting up arrows in your lil' bitch, wow

It's Big Spence, bitch, I need ten thou'
