

# Everything

Mary J. Blige

My everything, everything, everything  
You are my everything, you are my everything  
You, my everything It's all because of you  
I'm never sad and blue  
You brighten up my day  
In your own special way  
Whenever you're around  
I'm never feeling down  
You are my trusted friend  
On you I can depend  
You take me away from the pain and you bring me paradise  
And when on a cloudy days, you brought sunshine in my life  
It never occurred to me, the first time I saw your face  
I would fall so deep in love that your love can't be replaced  
You are my (you are) everything (you are my everything)  
Love so good (love so good, so good, so good, so good) only you can bring  
You are my (you are my) everything  
You are everything, and everything is you My darling, only you can make my dreams come true  
And every night I pray you'll never go away  
I promise I will try until the day I die  
To treat you like a king cause you are my everything  
You take me away from the pain and you bring me paradise  
And when on a cloudy days, you brought sunshine in my life  
It never occurred to me, the first time I saw your face  
I would fall so deep in love that your love can't be replaced  
You are my (you are) everything (you are my everything)  
Love so good (love so good, so good, so good, so good) only you can bring  
You are my (you are my) everything  
You are everything, and everything is you (When your loving me)  
with your loving arms around me  
(When your loving me)  
said i feel so safe about security  
(When your loving me)  
forever oooo i want you to hold me  
my every every every everything everything Take me away
