

# Don't Wanna Wake Up

## Capital Kings

Stuck in the dream, so I'll keep sleeping  
So now [my feel?] no pain at all  
So let's just free fall off the deep end  
One night, one chance, let's go  
So can we take just a moment?  
Can we take just a moment?  
With you right next to me  
So can we take just a moment?  
Can we live in the moment?  
Right now, you're all that I need  
I don't wanna wake up, up, up, up, up  
Don't wanna wake up  
Don't wanna wake up  
I don't wanna wake up, up, up, up, up  
Don't wanna wake up  
I don't wanna wake up  
Don't wanna wake up  
I don't wanna wake up  
Oh, oh no no, oh no  
Like runaways, we'll be together  
I'll follow you into the dark  
You pull me in and take me deeper  
I never want it to stop  
So can we take just a moment?  
Can we take just a moment?  
With you is where I wanna be  
So can we take just a moment?  
Can we live in the moment?  
Oh I'm not ready to leave  
I don't wanna wake up, up, up, up, up  
Don't wanna wake up  
Don't wanna wake up  
I don't wanna wake up, up, up, up, up  
Don't wanna wake up  
I don't wanna wake up  
Don't wanna wake up  
Don't wanna wake up
