

Heavy Metal and Reflective

Azealia Banks

Fridgy Froze Kept
It's that fresh bitch
I be in that prissy stone set
With that wet wrist
Flighty bitch that prissy bow
With that necklace I be "very freaky tickle cherry"
It's that best bitch! I be in that 750 head up
With that hex witch
I could spit that prissy poem
Sex with her breakfast
I could break ya nigga bone!
Wanna bet bitch?
I be V.I.P
I been knew cheddar
You be guest list
I be P.Y.T
You Billie Jean
You been that ex bitch!
Icy with that cicle whoa!
It's that next shit I be getting several, you be settled
Bet you pressed bitch,
I be looking very heave metal and reflective
I could get that! I be cherry deeky
When it swell up
Get that best dick I be very cheeky
Bitch I'm better
Bet you wet, bitch
I be freaky halo
Get that heaven head
Now bless this!
I could get that! I know you know well
I'm with that
Get Rich I'm in every city
They say Hello
To the Head Bitch Find me in the borough
If you thorough
If that bread flip I be looking very heavy metal and reflective
I could get that! It's some sex shit
I be with that Betty
With that bubble and them breasts I be looking very
Jiggle Jello in them dresses
I be with the pedi in the puddle reminiscing

I be with that Ayo you know you know well
I'm with that
Get Rich
I'm in every city
They say Hello
To the Head Bitch
Find me in the borough
If you thorough
And that bread flip
I be very Linky
Heavy Metal and Reflective
I could get that I be Cherry Deeky
When it swell up
Get that best dick I be in Osaka
With the papa
Took the best trip
Buy me Tamagotchi
Sipping sake and Moët'ses
I could get that I know you know well
I'm with that
Get Rich I'm in every city
They say Hello
To the Head Bitch
Find me in the borough
If you thorough
And that bread flip
I be very Linky
Heavy Metal and Reflective
I could get that
