

# Honest (feat. Broods)

## San Holo

How can I  
Try to keep it hidden  
When I'm feeling like you're reading my mind?(Like you're reading my mind)  
(Like you're reading my mind)  
(Like you're reading my mind)  
(Like you're reading my mind)High and I  
Don't know what I'm thinking  
But I'm talking to you like I can't lie  
(To you like I can't lie)  
(To you like I can't lie)  
(To you like I can't lie)  
'Cause I don't know you  
You don't know me  
But I wanna go anywhere you're gonna be  
Oh, I just want us to be honest  
Even if nothing comes from it  
No, come with me  
Something so true in the ways that we speak  
Oh, I just want us to be honest  
I just want us to be honestI just want us to be honest  
I love how  
I hear it in your silence  
There's no need for you to say it out loud  
(To say it out loud)  
(To say it out loud)  
(To say it out loud)  
(To say it out loud)Closer now  
Nothing in between us  
Let's keep everything between us, no doubt  
(Between us, no doubt)  
(Between us, no doubt)  
(Between us, no doubt)  
(Between us, no doubt)And I am never this person  
Never this certain  
But you got me willing to try  
Willing to try  
I wanna try'Cause I don't know you  
You don't know me  
But I wanna go anywhere you're gonna be

Oh, I just want us to be honest  
Even if nothing comes from it  
No, come with me  
Something so true in the ways that we speak  
Oh, I just want us to be honest  
I just want us to be honest I just want us to be honest  
I just want us to be honest  
I just want us to be honest  
I just want us to be honest  
I just want us to be honest I just want us to be honest  
I just want us to be honest  
I just want us to be honest  
I just want us to be honest  
I just want us to be honest I just want us to be honest  
I just want us to be honest
