

Worry

RHODES

Seems so cold
See my worry
Oh, they call
All the time

See my heart
Be my worry
Clothes too tight
Draw the line

I close my eyes
To dream away
It turn to years
Now I'm all there

When I wake up
Will you see me?
When I wake up
Will you come see me?

Feels like day
Sudden morning
Off my reign
Fear the pain

I close my eyes
To dream away
It turn to years
And now I'm older

When I wake up
Will you see me?
When I wake up
Will you come see me?

Is it too late, too late
Too late, too late, too late now?
Oh, is it too late, too late
Too late, too late, too late now?

It's alright
And you know that, don't you?
In time
How it all works out

It's alright, it's alright
It's alright, it's alright

Is it too late, too late
Too late, too late, too late now?
Oh, is it too late, too late
Too late, too late, too late now?

Is it too late, too late
Too late, too late, too late now?
Oh, is it too late, too late
Too late, too late, too late now?

Is it too late, too late
Too late, too late, too late now?
Oh, is it too late, too late
Too late, too late, too late now?

Is it too late, too late
Too late, too late, too late now?
Oh, is it too late, too late
Too late, too late, too late now?
