

Boy Gets a Truck

Jimmie Allen

[Verse 1]

It ain't a story as old as time
Just as old as when they first
Rolled off the assembly line
Everybody knows how it goes
Once upon a time and four wheels rolled, and

[Chorus]

A boy gets a truck, truck gets a girl
Girl gets a midnight feelin' he's the one
One night turns to love
Love turns into one knee down
Down payment on a three bedroom house
Filled with the sound of little feet
Then you blink and he's askin' for the keys to pick her up
Boy gets a truck
Uh-huh, yeah

[Verse 2]

It's freedom flying down a two-lane
Young love steaming up the windows 'cause it can't wait
She's whispering in your ear
While you keep it on the road
It's been goin' on for years

[Chorus]

A boy gets a truck, truck gets a girl
Girl gets a midnight feelin' he's the one
One night turns to love
Love turns into one knee down
Down payment on a three bedroom house
Filled with the sound of little feet
Then you blink and he's askin' for the keys to pick her up
Boy gets a truck, oh yeah
Truck gets a girl

[Bridge]

Yeah, she'll slide on over
Put her head on your shoulder
While the wheels keep turnin' the world, oh yeah

A boy gets a truck
Boy gets a truck

[Chorus]

Yea, boy gets a truck, truck gets a girl
Girl gets a midnight feelin' he's the one
One night turns to love
Love turns into one knee down
Down payment on a three bedroom house
Filled with the sound of little feet
Then you blink and he's askin' for the keys to pick her up
Boy gets a truck, yeah, truck gets a girl
Yeah you know it does
Boy gets a truck, truck gets a girl
Girl gets a midnight feeling he's the one, he's the one
Boy gets a truck, truck gets a girl
Girl gets a midnight feeling he's the one, he's the one
Boy gets a truck, truck gets a girl
Girl gets a midnight feeling he's the one, he's the one
