

# For Once In My Life

Frank Sinatra, Gladys Knight & Stevie Wonder

For once in my life  
I have someone who needs me  
someone I've needed so long  
For once I'm afraid I can go where life leads me  
and somehow know I'll be strong  
For once I can touch what my heart used to dream of  
long before I knew, someone warm like you  
would make my dreams come true  
For once in my life I won't let sorrow hurt me  
not like it's hurt me before  
For once I have something I know won't desert me  
and I'm not alone anymore  
For once I can say; this is mine you won't take it  
Long as I know I have love I can make it  
For once my life I have someone who needs me- Instrumental break -  
For once I can say; this is mine you can't take it  
Long as I know I got love I can make it  
For once in my life I've got someone  
Yeah, for once in my life I found someone  
For once in my life, I've got someone  
who needs me
