

# Beautiful People (feat. Khalid)

Ed Sheeran

(We are, we are, we are)L.A. on a Saturday night in the summer  
Sundown and they all come out  
Lamborghinis and their rented Hummers  
The party's on, so they're heading downtown  
Everybody's looking for a come-up  
And they wanna know what you're about  
Me in the middle with the one I'm loving  
We're just tryna figure everything outWe don't fit in well  
'Cause we are just ourselves  
I could use some help  
Getting out of this conversation, yeah  
You look stunning, dear  
So don't ask that question here  
This is my only fear  
That we become  
Beautiful people  
Drop-top, designer clothes  
Front row at fashion shows  
"What d'you do?" and "Who d'you know?"  
Inside the world of  
Beautiful people  
Champagne and rolled-up notes  
Pre-nups and broken homes  
Surrounded, but still alone  
Let's leave the partyThat's not who we are  
(We are, we are, we are)  
We are not beautiful  
Yeah, that's not who we are  
(We are, we are, we are)  
We are not beautiful(L.A., mmm)  
Drove for hours last night and we made it nowhere  
I see stars in your eyes when we're halfway there (all night)  
I'm not fazed by all the lights and flashing cameras  
'Cause with my arms around you, there's no need to careWe don't fit in well  
We are just ourselves  
I could use some help  
Getting out of this conversation, yeah  
You look stunning, dear  
So don't ask that question here  
This is my only fear  
That we becomeBeautiful people

We are not beautiful
