

When I Fall In Love

Andrea Bocelli & Chris Botti

When I fall in love it will be forever
Or I'll never fall in love
In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
seem to cool in the warmth of the sun. When I give my heart
It will be completely
Or I'll never give my heart
And at the moment I can feel
That you feel that way too
Is when I fall in love with you.
In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
seem to cool in the warmth of the sun.
When I give my heart
It will be completely
Or I'll never give my heart
And at the moment I can feel
That you feel that way too
Is when I fall in love
When I fall in love
Is when I fall in love with you.
