

# Working in the Coal Mine

Jemaine Clement

Gulag Prisoners: Working in the coal mine

Going down, down, down

Working in the coal mine

Whoops, about to slip down

Working in the coal mine

Going down, down, down

Working in the coal mine

Whoops, about to slip down

Prison King: Five o'clock in the morning

I'm already up and gone

Lord, I'm so tired

How long can this go on?

Gulag Prisoners: Working in the coal mine

Going down, down, down

Working in the coal mine

Whoops, about to slip down

Working in the coal mine

Going down, down, down

Working in the coal mine

Whoops, about to slip down

Prison King: 'Cause I work every morning

Hauling coal by the ton

But when Saturday rolls around

I'm too tired to have any fun

Gulag Prisoners: Working in the coal mine

Going down, down, down

Working in the coal mine

Whoops, about to slip down

Working in the coal mine

Going down, down, down

Working in the coal mine

Whoops, about to slip down

Prison King: Lord, I'm so tired

How long can this go on?

Gulag Prisoners: I'm just working in the coal mine

Going down, down down

Working in the coal mine

Whoops, about to slip down

Working in the coal mine

Going down, down down

Working in the coal mine

Whoops, about to slip down

Prison King: In a coal mine...
