

Got to Get You into My Life

Earth, Wind & Fire

[Intro]

Got to get you into my life, into my life
Got to get you into my life, into my life
Got to get you into my life, into my life
Got to get you into my life, into my life
Got to get you into my life, into my life

[Verse 1]

I was alone, I took a ride
Didn't know what I would find there
Another road where maybe I
Could see another sign there

Ooh, and then I suddenly see you
Ooh, and did I tell you that I need you
Ev'ry single day of my life?

You didn't run, you didn't lie
You knew I want to hold you
And had you gone, you knew in time
We'd meet again for I had told you

[Pre-Chorus]

Ooh, you were meant to be near me
Ooh, I really want for you to hear me
Say we'll be together ev'ry day

[Chorus]

(Got to get you into my life) Got to get you into my life
(Got to get you in, got to get you into my life)
Got to get you into my life, yeah
(Got to get you into my life)
Uh huh, got to get you into my, got to get you into my life
(Got to get you into my life)

[Bridge]

[Pre-Chorus]

Ooh, then I suddenly see you
Ooh, did I tell you that I need you

Ev'ry single day of my life?

[Chorus and outro]

(Got to get you into my life) Got to get you into my life
(Got to get you in, got to get you into my life) My life
(Got to get you into my life) Got to get you into my life, yeah
(Got to get you into my life)
Got to get you in, got to get you in, got to get you in
Got to get you in, into my life
(Got to get you into my life)
Got to get you in, got to get you in, got to get you in
Got to get you in, into my life
(Got to get you into my life)
