

Holding On (feat. Shelley Harland)

Ferry Corsten

Holding on
The falling sky grows darker every day.
And moon light fading as you walk away.
And all the roads that lead me to your heart
have gone astray
Chorus:
My hands are tied behind my back,
and weakened by, your slow attack,
you take me in, then change your mind again.
Your spinning wheel won lead me to your view,
and all the words I need to hear from you,
holding on but guess I m out of luck,
and still in love with you
Chorus:
My hands are tied behind my back,
and weakened by, your slow attack,
you take me in, then change your mind again.
Hold my face, in your hands, look into my eyes
So understand, all the toughs, inside your mind
Tell me it s time
Chorus:
My hands are tied behind my back,
and I m weakened by, your slow attack,
you take me in, then change your mind again.(x2)
