

# Pull Your Skirt Down (Interlude)

## Smoke DZA

[Verse:]

Yow man you linked Quann today

No man, I'm fucked up man

Rest up for a little bit

For what

Man them [?] they got me outta my zone man

But I be fucked up man

Nigga are you depressed

No not really man

You sound depressed

Man pull your skirt down B [?]

She's fucked up

You always in your zone, can't nobody take you out your zone
