

Cupid

112

Everybody put your hands together
Whoa woo hoo whoa, mmmm, yeah
Girl I love you so
112 Listen
Girl if I told you I love you
That doesn't mean that I don't care, oooh
And when I tell you I need you Don't you think that I'll never be there, oooh
Baby I'm so tired of the way you turn my words into deception and lies
Don't misunderstand me when I try to speak my mind
I'm only saying what's in my heart
Cupid doesn't lie
But you won't know unless you give it a try
Oh baby, true love won't lie
But we won't know unless we give it a try
Give it a try Girl when I ask you to trust me
That doesn't mean that I'm gonna cheat on you
Cuz I'm gonna never do anything to hurt you
Or misleded you, I love you Baby I'm so tired of the way you turn my words into deception
and lies
Don't misunderstand me when I try to speak my mind
I'm only saying what's in my heart
Cupid Cupid doesn't lie
But you won't know unless you give it a try
Oh baby, true love won't lie
But we won't know unless we give it a try
Give it a try
Ain't no doubt about it
Lord knows I really mean it
I'd rather die before I, before I lie to you
Never wanna leave ya
Ain't no life without ya
Never gonna leave, never gonna go, nooo
No, no, no, no, no, no, no, ohhhh Cupid doesn't lie
But you won't know unless you give it a try
Oh baby, true love won't lie
But we won't know unless we give it a try
Give it a try
Cupid doesn't lie
But you won't know unless you give it a try
Oh baby, true love won't lie
But we won't know unless we give it a try
Give it a try

Cupid doesn't lie
But you won't know unless you give it a try
Oh baby, true love won't lie
But we won't know unless we give it a try
Give it a try
