

# Whale Song

[LANKS](#)

[written by LANKS]

[produced by LANKS & Ross Beaton]

[mixed/mastered by Andrei Eremin]

[Verse 1]

Under the deep of the ocean, the young whale would swim

He'd turn to the depths and rest there on the brink

The edge of unknown, how frightening and scary

The look of the place, it screamed, 'be wary!'

[Verse 2]

The sharks and squid, and what grabs on your tail

And the teeth, they're like razors, and not safe for a whale

The fish there play tricks on you, helping you fall

There ain't no camaraderie, there ain't none at all
