

# Is It Love (feat. Yeah Boy) [Justin Caruso Remix]

3LAU

Is it love, love, love?  
Is it love, love, love?  
Is it love, love, love?  
Is it love, love, love?  
Is it love, love, love?  
Is it love, love, love?  
Is it love, love, love  
Love, love, love that I'm feeling?  
Is it love, love, love  
Love, love, love that I'm feeling?  
How can I do this?  
I've never felt this way before  
You keep on staring at me  
And I can't take it anymore  
But I want you to know  
I'm looking for a place where we can go  
And I can say the words as I'm tryna break through  
But you already know that I really want you  
Is it love, love, love  
Love, love, love that I'm feeling?  
Is it love, love, love  
Love, love, love that I'm feeling?  
Is the one, one, one  
One, one, one that I'm dreaming of?  
Is it love? Is it love?  
Is it love, love, love  
Love, love, love that I'm feeling?  
Is it love, love, love  
Love, love, love that I'm feeling?  
Is the one, one, one  
One, one, one that I'm dreaming of?  
Is it love? Is it love?  
Is it love? Is it love? Is it love?  
Is it love? Is it love? Is it love?  
Is it love? Is it love? Is it love? Is it love?  
Is it love? Is it love? Is it love?  
Is it love? Is it love? Is it love?  
Is it love? Is it love? Is it love?  
Is it love, love, love  
Love, love, love that I'm feeling?

Is it love, love, love  
Love, love, love that I'm feeling?  
Is the one, one, one  
One, one, one that I'm dreaming of?  
Is it love? Is it love?
