

Juggalo Family

Dark Lotus

(J talking)

"And they wanted to know if I would trade 10 Juggalos
for a hundred mainstream fans?" And I said "I wouldn't trade
10 Juggalos for a hundred thousand mainstream fans,

10 Juggalos is priceless."(Blaze Ya Dead Homie)

I gots love for my homies, members of the Lotus

United we stand, squashing all deadly forces

Been to Hell, could'a spent eternity there

All the bad shit I done, I should still be there

Juggalos can ya feel me? world-wide! (world-wide)

Runnin' wit' a hatchet straight out the Lotus Pod

Always got your back, 'til the end, screaming Juggalos

Dark Lotus, Psychopathic thats the way it go

(Monoxide Child)

So many people in the matrix die alone, hey

Not me, my soul belongs to Juggalos, they

Keep me going when I'm, down and out

I pick the phone up, drop'em a line, and hear 'em shout

Sayin' Twiztid is the shit and I'm down with the clown

Dark Lotus for life, until I'm dead in the ground

I give a dap to all my homies and killas who get it started

All my Juggalos always represent for the departed(Chorus: repeat 2X)

Mass murder makes me happy!

Dead bodies make me happy!

Until eternity!

I'll always have Juggalo Family!

(Shaggy 2 Dope)

6 individual petals fall from one stem

Ain't tryin ta ride no wave, they don't follow any trends (no trends)

'Cause we ascend from the dirt filth grit & grime

Then combine Juggalo minds to crush nation shrines

Whats your is mine and whats mines is yours

Let the wagons of the Dark Carnival show you different worlds (Woo Woo)

Any hoes front on Juggalos or the Hatchet

Tell'em come suck on your dick, Bitch we Psychopathic(Jamie Madrox)

All my life i've been livin' it all alone

I'm like a king wit' no people and no crown or a throne

And what I'm speakin' on, is what I'm feeling like

Do you know what its like to feel the warmth of the sunlight

I'd really like to know 'cause i've been chillin' in the dark

For so many years that I question love in my heart

I hate everyone and I hate everything

Except for all the Juggalos and all the love that they bring! (I love y'all)(Chorus: repeat X2)-
Marz

Let me get your ear im gonna make myself clear,
it's the L family, Juggalos right here
You can take away my mic, you can take away this life
But the love that we got, it aint never gonna stop
We eternal, past this earthly bullshit.
Dogs on another level can you feel this?
It's Twiztid, Blaze and ICP, and if you fuckin' with my dogs
Boy you D-I-E!((Violent J)
If it wasn't for Shaggy, my shirt would still be baggy
I wouldn't be fat, i'd still be hungry and crabby
We used to buy our own records at the stores
So they would think it was a hot seller, and order more
But we built a team of killers with the same dream
We couldn't reach the top, we stayed B-level like Charlie Sheen
Finally realized, we'll always have the Juggalos
I'll never give another second to them other hoes!(Chorus: repeat X4)Lotus, LotusLotus,
LotusLotus, Lotus(J talking)
"And they wanted to know if I would trade 10 Juggalos
for a hundred mainstream fans?" And I said "I wouldn't trade
10 Juggalos for a hundred thousand mainstream fans,
10 Juggalos is priceless."(Chorus: repeat x 5)
