

up in this

blackbear & Tinashe

[Chorus: Tinashe]

Shawty got a booty, let it hang out (hang out)
Ain't no turnin' down, let it bang out (bang out)
She ain't going home, she wanna hang out (yeah)

We up in this bitch, oh

Got the club feeling like a safe house
All this damn money, let it rain down
We ain't going home, we wanna hang out

We up in this bitch

[Verse 1: blackbear]

Yeah, yeah, yeah

Driveway so long I need a gate now
40 acres, 40 miles outside L.A. now

It's like I'm Drake now

My shit is way out

Mama got a lake house

We up in this bitch, we up in this bitch

You think I'm playin' 'round

I got two bodyguards with loaded Smiths when I hop off a plane now

Came a long way from selling yay now

Wilhemena models, they be hangin' backstage now, uh

[Chorus: Tinashe & blackbear]

Shawty got a booty, let it hang out (beartrap sound)

Ain't no turnin' down, let it bang out (hang out)

She can ain't going home, she wanna hang out (hang out)

We up in this bitch, oh

Got the club feeling like a safe house

All this damn money, let it rain down (rain down)

We ain't going home, we wanna hang out (hang out)

We up in this bitch [Verse 2: blackbear]

We up in this bitch, naw

100K up on a wristwatch

I guess they fuckin' with the kid now

I used to play to 50 kids, I'm gettin' 50k a show now (wow)

No Sonny Digital, I'm takin' major risks now

And there's purple in my piss now

My mama real proud

And if you wanna come and find me

I'll be up on easy fifths now [Chorus: Tinashe]

Shawty got a booty, let it hang out (hang out)

Ain't no turnin' down, let it bang out (bang out)

She can ain't going home, she wanna hang out

We up in this bitch, oh
Got the club feeling like a safe house
All this damn money, let it rain down (rain down)
We ain't going home, we wanna hang out
We up in this bitch[Outro: blackbear]
We up in this bitch now
We up in this bitch now
Up in this bitch now
Ooh, hey
Ooh, hey
We up in this bitch now
We up in this bitch now
