

# The World (Interlude)

## Danger Mouse & Daniele Luppi

The world is a running brook  
Take a look  
Cold and always moving  
Blind but never soothing It moves like you and I  
In the moonlight  
Perfect like a circle  
And powerful with energy The world is an open book  
Take a look  
Welcome to your own views  
Your greed is your own hangman's noose  
She takes whatever you can give to her  
No sooner  
Never judging  
No matter how much you seem not to care  
The world is a bull whose horns you cannot pull  
Silently rewarding  
Relentlessly commanding The world's own heart seems to be left behind  
Your heart was left behind you  
And I am behind you, too
