

Boogie In Your Butt

Eddie Murphy

In your butt, put the boogie in your butt
Put, put the boogie in your butt
In your butt, put the boogie in your butt
Put, put the boogie in your butt I ain't putting no boogie in nobody's butt
That's nasty, man, what you talking about?
Putting boogie in people's butt
Are you out your mind or something?
Could go to jail for doing something like that
Well, step aside my friend
I been doing it for years
I say, sit on down, open your eyes
And open up your ears
Say, put a tree in your butt
Put a, a bumblebee in your butt
Put a clock in your butt
Put a big rock in your butt
Say, put some fleas in your butt
Say, start to sneeze in your butt
Say, put a tin can in your butt
Put a little tiny man in your butt
Say, put a light in your butt
Say, make it bright in your butt
Say, put a TV in your butt
Say, put me in your butt
Everybody say
In your butt, put the boogie in your butt
Put, put the boogie in your butt
In your butt, put the boogie in your butt
Put, put the boogie in your butt I, hey that's, man, I ain't putting no trees in nobody's butt
No bees in nobody's butt, putting nothing
You must be out your mind, man
Y'all get paid for doing this?
'Cause y'all gotta get some kind of money
'Cause this don't sound like the kind of
I'd rather golf, to be perfectly honest
Than put something in somebody's butt to be truthful Well, step aside, my friend
And let me show you how you do it
When big, bad E just rock, rock to it
Put a case in your butt
Say, put a metal case in your butt
Say, put her face in your butt
Say, put a frown in your butt

Say, put a clown in your butt
Say, sit on down in your butt
Say, put a boat in your butt
Say, put a moat in your butt
Put a mink coat in your butt
Put everything in your butt
Just start to sing about your butt
Feels real good

When you sing about your butt, sing
In your butt, put the boogie in your butt

Put, put the boogie in your butt
Now wait a second, now

Do y'all get paid for this, for doing this

Putting in the butt and all that stuff? Really?

Hey, what's this? A hundred dollar bill?

I get to keep this hundred dollars if I be putting stuff in peoples' butts?

Really? Step aside!
Put a telephone in your butt

Say, put some dust in your butt

I say, it's a must in your butt

I say, pizza crust in your butt

Say, put a telephone in your butt

Put a dinosaur bone in your butt

Put a radiator in your butt

I say, see ya later, in your butt

Put an alligator in your butt

I say, put some money in your butt

Sure feels real funny, in your butt

Ha, I say, squeeze it, please it

But don't tease it, put it in your butt
Well, lemme lemme just say

Put a hot cup of Brim

Fill it to the rim

And put it in your butt

A-to the beat, ha

Two sugars soft so sweet
In your butt, put the boogie in your butt

Put, put the boogie in your butt
In your butt, put the boogie in your butt

Put, put the boogie in your butt

In your butt, put the boogie in your butt

Put, put the boogie in your butt

(Put a quarter, put a penny, put a dime, put a nickel, sure do tickle)

In your butt, put the boogie in your butt

(Just put it in your butt, put some change in your butt)

Put, put the boogie in your butt

(Feels mighty strange in your butt)

In your butt, put the boogie in your butt
